Participated twice (2017, 2018). In 2017, our school was overall runner-up
leaving behind more than 20 other participating teams.

VOLTEER EXPERIENCE

As IT specialist and web developer at [Navachar Research Incubation
And Inovation Council \(NRIIC\)](#)

SUMMARY

I have deep interest in CS since childhood. With a proven track
record of participating in competitions, hackathons and
workshops and willingness to learn, I am seeking opportunities
to contribute to groundbreaking projects.
